Good morning!

I'm hoping both of you can help me provide these stats, I think we collect #1 for the Public Safety Committee? And then Morey if you can help with #2 & 3? I'll complete #4. Thanks!

1. The total number of police uses of force in 2018, broken down by type of force used (i.e. number of uses of tasers, number of uses of baton, etc.)
2. The total number of use of force complaints reported by civilians in 2018
3. The total number of use of force complaints reported by civilians that were sustained in 2018
4. All arrests data reported to the California Department of Justice via the Monthly Arrests and Citation Register program covering arrests made in 2017 and 2018, including (but not limited to) the age, race/ethnicity, gender, offense category (felony, misdemeanor, status offense), charge and disposition of arrestees.
